29 before the Legislature as this bill) on or before the first day of the
30 sixth month following the date of enactment.

31
32 5. Section 24 of P.L.2003, c.210 (C.55:19-101) is amended to
33 read as follows:

34 24. Municipalities may hold special tax sales with respect to
35 those properties eligible for tax sale pursuant to R.S.54:5-19 which
36 are also on an abandoned property list established by the
37 municipality pursuant to section 36 of P.L.1996, c.62 (C.55:19-55)
38 or which are eligible for the special tax sale pursuant to section 3 of
39 P.L. , c. (C.) (pending before the Legislature as this bill).
40 Municipalities electing to hold a special tax sale shall conduct that
41 sale subject to the following provisions:

42 a. The municipality shall establish criteria for eligibility to bid
43 on properties at the sale, which may include, but shall not be limited
44 to: documentation of the bidder's ability to rehabilitate or otherwise
45 reuse the property consistent with municipal plans and regulations;
46 commitments by the bidder to rehabilitate or otherwise reuse the
47 property, consistent with municipal plans and regulations;
48 commitments by the bidder to take action to foreclose on the tax

1 lien by a date certain; and such other criteria as the municipality
2 may determine are necessary to ensure that the properties to be sold
3 will be rehabilitated or otherwise reused in a manner consistent with
4 the public interest;

5 b. The municipality may establish minimum bid requirements
6 for a special tax sale that may be less than the full amount of the
7 taxes, interest and penalties due, the amount of such minimum bid
8 to be at the sole discretion of the municipality, in order to ensure
9 that the properties to be sold will be rehabilitated or otherwise
10 reused in a manner consistent with the public interest;

11 c. The municipality may combine properties into bid packages,
12 and require that bidders place a single bid on each package, and
13 reject any and all bids on individual properties that have been
14 included in bid packages;

15 d. The municipality may sell properties subject to provisions
16 that, if the purchaser fails to carry out any commitment that has
17 been set forth as a condition of sale pursuant to subsection a. of this
18 section or misrepresents any material qualification that has been
19 established as a condition of eligibility to bid pursuant thereto, then
20 the properties and any interest thereto acquired by the purchaser
21 shall revert to the municipality, and any amount paid by the
22 purchaser to the municipality at the special tax sale shall be forfeit
23 to the municipality;

24 e. In the event there are two or more qualified bidders for any
25 property or bid package in a special tax sale, the municipality may
26 designate the unsuccessful but qualified bidder whose bid was
27 closest to the successful bid as an eligible purchaser;

28 f. In the event that the purchaser of that property or bid
29 package fails to meet any of the conditions of sale established by
30 the municipality pursuant to this section, and their interest in the
31 property or properties reverts to the municipality, the municipality
32 may subsequently designate the entity previously designated as an
33 eligible purchaser as the winning bidder for the property or
34 properties, and assign the tax sale certificates to that entity on the
35 basis of that entity's bid at the special tax sale, subject to the terms
36 and conditions of the special tax sale.

37 g. The municipality shall provide notice of a special tax sale
38 pursuant to R.S.54:5-26. The notice shall include any special terms
39 of sale established by the municipality pursuant to subsection b., c.
40 or d. of this section. Nothing shall prohibit the municipality from
41 holding a special tax sale on the same day as a standard or
42 accelerated tax sale.

40

41 7. Section 2 of P.L.1999, c.168 (C.52:27D-442) is amended to
42 read as follows:

43 2. a. In each State fiscal year, each municipality shall receive
44 Consolidated Municipal Property Tax Relief Aid equal to the
45 amount of Consolidated Municipal Property Tax Relief Aid
46 received in the prior State fiscal year multiplied by the sum of 1.0
47 and the index rate or zero, whichever is greater. However, any
48 municipality that did not receive a distribution of Consolidated

1 Municipal Property Tax Relief Aid during fiscal year 1999 shall
2 receive aid equal to the amount of Consolidated Municipal Property
3 Tax Relief Aid received in the prior State fiscal year plus the
4 product of the base year amount and the index rate or zero,
5 whichever is greater. As used in this section, "base year amount"
6 means the sum of aid received by the municipality in fiscal year
7 1995 under those State aid programs which were consolidated in
8 P.L.1995, c.164, the fiscal year 1996 annual appropriations act,
9 under the Consolidated Municipal Property Tax Relief Aid
10 distribution. As used in this section, "index rate" means the rate of
11 annual percentage increase, rounded to the nearest half-percent, in
12 the Implicit Price Deflator for State and Local Government
13 Purchases of Goods and Services, computed and published quarterly
14 by the United States Department of Commerce, Bureau of
15 Economic Analysis, calculating the annual increase therein at the
16 second calendar quarter which occurred in the next preceding State
17 fiscal year. The Director of the Division of Local Government
18 Services shall promulgate annually the index rate to apply in the
19 next following State fiscal year which shall be the same as the index
20 rate determined pursuant to section 4 of P.L.1983, c.49 (C.40A:4-
21 45.1a).

22 Any amount of aid distributed to a municipality in excess of the
23 amount distributed to the municipality for Consolidated Municipal
24 Property Tax Relief Aid during the State fiscal year 1999 shall be
25 used solely and exclusively by each municipality for the purpose of
26 reducing the amount the municipality is required to raise by local
27 property tax levy for municipal purposes. If the amount of the
28 increased distribution exceeds the amount required to be raised by
29 local property tax levy for municipal purposes, the balance of the
30 increased distribution shall be used to reduce the amount the
31 municipality is required to collect for county purposes,
32 notwithstanding the provisions of this or any other law to the
33 contrary. The Director of the Division of Local Government
34 Services in the Department of Community Affairs shall certify
35 annually that each municipality has complied with the requirements
36 set forth herein.

37 b. The amount appropriated for Consolidated Municipal
38 Property Tax Relief Aid in a State fiscal year shall be sufficient to
39 fully fund the distribution to municipalities as determined pursuant
40 to subsection a. of this section, except that a municipality shall not
41 receive Consolidated Municipal Property Tax Relief Aid during any
42 fiscal year in which the municipality does not comply with the
43 provisions of section 2 or section 3 of P.L. , c. (C.)
44 (pending before the Legislature as this bill).
45 (cf: P.L.1999, c.168, s.2)

46
47 8. Section 1 of P.L.2011, c.144 (C.52:27D-118.42a) is
48 amended to read as follows:

1 This bill requires every municipality to maintain a registry of all
2 abandoned properties located within the municipality. The registry
3 is to include the following information for each abandoned
4 property: (1) the tax block and lot number; (2) the street address;
5 (3) the owner or owners of the property; (4) the person or entity
6 responsible for rehabilitating the property; and (5) the rehabilitation
7 efforts, if any, completed on the property. The registry would be
8 distinct from the abandoned property list currently maintained by
9 certain municipalities, and the inclusion of a property on the
10 registry would not confer any additional powers to the municipality.

11 Under the bill, each municipality is required to annually submit
12 its abandoned property registry to the Division of Local
13 Government Services in the DCA. The division would be required
14 to make available on its Internet website a Statewide database of all
15 abandoned properties located in the State. The database is to
16 include the information contained in each municipal registry
17 submitted to the division. The database also would be searchable
18 by municipality and by the type of entity owning each abandoned
19 property, including financial institutions, municipalities, private
20 residents, and other public or private entities as deemed appropriate.

21 The bill also requires each municipality to deliver, on a quarterly
22 basis, a notice to the owner of each abandoned property located in
23 the municipality in order to solicit information concerning the status
24 of any rehabilitation efforts. The owner of the property is required
25 to respond by documenting any rehabilitation efforts completed on
26 the property within the previous 12 month period. If the owner of
27 an abandoned property has designated an agent to manage the
28 property, the notice may be delivered to that agent, who may also
29 respond on behalf of the property owner.

30 In addition, the bill authorizes a municipality to hold a special
31 tax sale concerning any abandoned property pursuant to the
32 “Abandoned Properties Rehabilitation Act,” if: (1) the property is
33 eligible for tax sale pursuant to R.S.54:5-19; and (2) the owner of
34 the property fails to verify the receipt of the notice, the owner of the
35 property fails to respond within 30 days of the date of receipt, or the
36 response is inaccurate or incomplete. However, an abandoned
37 property would not be eligible for a special tax sale if the owner of
38 the property adequately responds to the notice prior to the date of
39 the special tax sale.

40 In order defray the costs associated with implementing this bill,
41 municipalities would be authorized to impose and collect an annual
42 fee on the owner of each abandoned property. The unpaid fees
43 would constitute a lien on the property and would be collected in
44 the same manner as property taxes.

45 The bill also provides that a municipality will not receive any of
46 the following forms of municipal aid during any fiscal year in
47 which it fails to comply with the provisions of the bill: Energy Tax
48 Receipts Property Tax Relief Aid; Consolidated Municipal Property

1 Tax Relief Aid; Transitional Aid to Localities, or any successor
2 discretionary aid program for municipalities in fiscal distress.

3 Given the deleterious effects of abandoned properties on
4 neighboring communities, municipalities currently possess broad
5 powers to rehabilitate abandoned properties. It is the intent of the
6 sponsor to encourage accountability amongst municipalities and the
7 owners of abandoned properties as it relates to the rehabilitation of
8 those properties.
